

A common quarrel

With me  
and my  
wife

Did Lawrence  
ever  
make it

With any dame  
but his  
mom

-- But look  
at Frieda  
my wife

Rages  
yes, I concede  
-- look at Frieda

Down by

The track  
if I had  
a nice car

Chances are  
I'd take  
care

Of it  
that goes for  
the kids too
